

Read the Form and the instructions very carefully. Fill in all information possible at this time (use "TBD" where necessary.)

A brief description of the tour is contained in the Fall 2009 issue of *The Milepost*. From time to time, more information will be posted on the MATC web site: [www.modelatouring.com](http://www.modelatouring.com). Click on "Tours" then click on "Oklahoma Tour 2010."

All those applying will receive a "Disclosures Document" which details the MATC policies regarding our tours. It explains what will be provided and what each participant is expected to do in return.

This tour includes all overnight accommodations from arrival in Cheyenne on June 5 through the night of June 19, 2010. It also includes some meals, a tour book, and tickets for some activities and points of interest. Participants are responsible for their transportation and for getting their cars from home to Cheyenne and return home. MATC will assist with this, and will provide parking for tow vehicles and trailers in Cheyenne.

MATC will be arranging to have cars transported by truck to/from Cheyenne for those who wish to do so, providing enough call for this service is indicated. For information on details and cost, check the appropriate option below and contact **Lee Chase** at (323)938-4601 or at [modeltchase@yahoo.com](mailto:modeltchase@yahoo.com).

We are **not** providing Group Trip Cancellation Insurance. Members desiring individual Trip Cancellation Insurance should buy it before Jan. 15, 2010. Check the box below to have an insurance application sent to you.

The tour is planned to break even with a small contingency fund. Should there be any surplus funds at the conclusion of the tour, a small part of the surplus (up to \$50 per person) may be used to help fund the MATC Reserve Fund, per the MATC By-Laws. All remaining surpluses will be returned to the participants.
